(Securities Code: 8141; listed on the Prime Market of the Tokyo Stock Exchange; the "Target Company") on May 18, 2026. In the "Notice Regarding Change of Terms of Purchase, etc. for Tender Offer for Common Shares of Shinko Shoji Co., Ltd. However, in light of the fact that the Target Company Shares have continued to temporarily trade at levels above the Tender Offer Price of 1,580 yen, the Company would like to provide a further explanation of its view regarding the Tender Offer.

1. The Company's view regarding the Tender Offer

The Company believes that the Tender Offer Price (1,580 yen) is the maximum and final price that the Company can offer, with due consideration given to the interests of the Target Company's general shareholders, and the Company has no intention to raise the Tender Offer Price.

In addition, the Company hereby announces that, except where required by laws and regulations, it has no plans to extend the tender offer period beyond August 3, 2026, the current expiration date.

As of today, the Target Company has stated that it continues to maintain its opinion in support of the Tender Offer.

As the Tender Offer period is nearing its end (August 3, 2026), the Company respectfully requests that the shareholders of the Target Company take into account the Company's views described above and consider and decide whether to tender their shares in the Tender Offer.
